MURTHA CULLINA LLP CELEBRATES 10 YEAR ANNIVERSARY OF MERGER

Boston, MA (June 21, 2010)... To mark the occasion of the 10 year anniversary of the merger of Murtha Cullina and Roche, Carens & DeGiacomo, on June 15, the firm hosted a gala event on the Odyssey Cruise Ship in Boston where more than 150 employees from Connecticut and Boston came together to celebrate. Members of the firm gathered on the top level of the boat for a group photo before departing for an afternoon lunch cruise around the Boston Harbor on a picture perfect day. Throughout the cruise, everyone enjoyed a slide show presentation of firm events and special occasions over the last decade.

The firm's Managing Partner, Elizabeth Stewart, thanked everyone for coming and gave a special thank you to the planning committee and the sun deity for the weather. She said "this is one of the best outings ever, and thanks to all for making the last 10 years and the firm a success."

The merger of Murtha Cullina and Roche Carens & DeGiacomo took place on June 1, 2000. The merger combined the strengths of two nationally recognized law firms with high profile "convergence litigation," business, real estate, bankruptcy, health care, construction, environmental and energy/utilities practices, and brought together over 80 attorneys from the Connecticut firm of Murtha Cullina and 35 attorneys from Boston's Roche, Carens & DeGiacomo expanding the depth and breadth of services for clients.
