Dear Rob,

What a wonderfully dedicated group of employees Murtha Cullina LLP sent to the Esplanade on June 25th! On behalf of The Esplanade Association's Board of Directors and staff, please express our sincerest appreciation to your colleagues for the hard work they put into making the Esplanade more beautiful..

Please express our appreciation, also, to Melanie Lawton for organizing the team and for staying in contact with me and Chris Murton. It was my pleasure to work with you and your team. They had a wonderful can-do attitude and positive energy that certainly contributed to their clearing invasive plants from a long stretch of riverfront in just a few hours. With the July 4th celebrations on the Esplanade just around the corner, this work was very much noticed and appreciated by the Department of Conservation and Recreation staff and the many park users who walked or bicycled along that stretch of park.

Once again, thank you for your hard work on behalf of the millions of people who enjoy the park each year. We look so forward to working with you again!

Warm regards,

Sylvia Salas
Executive Director
